although state and federal authorities are taking every possible precaution in their effort to stop the spread of the epidemic, the disease in many sections of the country has gotten entirely beyond control and is claiming its victims by the thousands.

It is universally agreed by all well informed persons that the surest preventive is to get the system in the best possible physical condition in order to be able to throw off the infection. As has been previously stated it is possible to perfect the powers of resistance of the human system so that it can throw off almost any infection, not excepting Spanish influenza, which is one of the most contagious diseases known.

Medical authorities agree that people who are weak and run down are the earliest victims of the influenza epidemic. If you find yourself weak or losing flesh, or if you are in a generally run-down condition, you are really in great danger if you should come in contact with the influenza germ.

As a powerful reconstructive tonic and system builder, Tanine is without equal. This is a statement of facts and is fully supported by recognized authorities. According to all accepted reference works, including the United States Dispensatory, Encyclopedia Britannica and leading text books used in the school of medicine, the principal ingredients of Taniac powers the most valuable tonic properties known to science. This statement is further proven by the fact that millions of persons who have actually taken Taniac have actually taken Taniac have restored to its autraordinary merit as a medicine.

medicine. Tanko restores health and strength Tanks resteres health and strength to the weak and run-down system by enabling every organ of the hedy to perform its proper function in nature's own way. It creates a healthy appetite for good nourishing food, and is an ideal strengthening tents for persons who are in a run-down condition and who are suffering from the after-effects of influence, grippe or bronchial troubles. Tankso is soid in Memphis exclusively by Weiss' Pharmacy, (successors to Jacobi's Pharmacy), Main St., and Union Ave., and Warnock Drug Co., in the Gayose hotel block.

Dear Sire—As I was mixing some more of the Mentho-Laxene in syrup this morning I could not help but wonder if you roally knew what a wonderful cold remedy it is, even if you do put if up.

Last fail we were really worried about my husband, as he had fried so many remedies, and the doctor did not help him at all, when one day he happened to read an ad of your Mentho-Laxene and he said: "I will give it a trial, help me." But, can you believe it? He began to feel easier right away, and long before the first bottle was gone to was all over his terrible court and long before the first bottle was gone he was all over his terrible cough, and by taking a little when feeling hoarse just a little we both have warded off every bit of colds and coughs since, until Monday of this week he got his feet so wet and by night he coughed again quite badly, but this morning he was o. k. again.

was o, k, again.

This is 3:00 p. m., so you see how quickly it worked.

We have gotten ever so many others to use it by giving them a sample of ours.

This is just a line to tell you how grateful we both are to you and your remedy.

Yours truly,

IT'S NOT YOUR HEART; IT'S YOUR KIDNEYS

Kidney disease is no respecter of persons. It attacks all classes, regardless of age, sex, or conditions. A majority of the ills afflicting people today can be traced back to the kidney trouble.

The kidneys are the most important organs of the body. They are the filterers, the purifiers of your blood. It the poisons which are swept from the lisues by the blood are not eliminated through the kidneys, disease of one form or another will claim you as a victim.

Kidney disease is usually indicated by weariness, alcepiesaness, nervousness, despondency, backache, stomach trouble, difficulty when urinsting, pain in loins and lower abdomen, gall stones, gravel, rheumatism, sciatica and lumbago.

All these derangements are nature's
